Program Police Technology for Indigenous Police Forces (JCA.1M)

I understand that the admission conditions of the ACS may differ from those of l'École nationale de police du Québec (ÉNPQ), and my admission to the ACS does not guarantee my admission to ÉNPQ.

I understand that I must necessarily meet the eligibility requirements of ÉNPQ foreseen in the *By-law to establish the Training Plan Regulation of the École nationale de Police du Québec*, which specifically plans what follows:

- Succeed in one's college studies.
- Perform in entry examinations. 1
- Perform in the medical examination within the deadline. 2
- Perform in the eye examination within the deadline, which entails post operative validation for candidates who have had surgery.
- Hold a valid (class 5 or probationary class 5) driver's licence. When there has been eye surgery, condition A inscribed on the licence must be removed.

I understand that a criminal record check may be required during my training or time at ÉNPQ.
